

NHL Educational Bursaries

The NHL will consider member applications for bursaries to attend training events. A bursary may be for a whole or a proportion of a UK based event affiliated to the NHL including the relative portion of tuition costs, budget accommodation and meals. The bursary will not cover travel to or from the event or other incidental costs.

The NHL committee will make the decision about whether a full or part bursary may be awarded based on the application received. There will be a limited number of bursaries available each year.

To apply for a bursary please complete the **Bursary Application Form** below. If you do not have access to the Internet please contact the NHL membership secretary for details.

The following 3 criteria will be used when making a decision to award a full or part bursary. Please include information in support of each criterion.

1. You make an active contribution to promoting the harmonica in your local community.
2. You are on a restricted income (e.g. unwaged / student / receiving benefits / pensioner etc). If you are not the main money provider in your family unit, please also tell us about them.
3. You are able to demonstrate how you and others will gain from your attendance at the event.

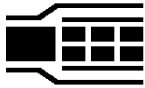

The final date for receipt of bursary applications is 8 weeks before the training event. You may wish to reserve a place on the event whilst waiting to hear the outcome of your bursary application.

The bursaries will be decided on the relative merits of individual applications and are at the discretion of the NHL sub-committee whose decision is final.

All applications will be treated as confidential and information in them will not be passed to anyone other than the NHL sub-committee. The event organiser will need to be aware of the bursary application and outcome.

All applicants will be informed of the committee's decision at least 6 weeks before the training event.

No more than one application from a single individual will be considered in a calendar year. Priority will be given to applicants who have not previously been granted an NHL bursary.
